**Re: City of Miamisburg
Water Reclamation Facilities Improvements Project
Final Finding of No Significant Impact
WPCLF Loan # CS390593-0033**

Dear Mr. Morrison:

On November 10, 2015, the Ohio EPA issued a draft Finding of No Significant Impact for the above referenced project for public review and comment. The thirty-day period for comments has passed, and no significant, adverse comments were received. Therefore, the conclusions contained in the draft Finding of No Significant Impact become the basis for this final Finding of No Significant Impact for the above-referenced project.

This final Finding of No Significant Impact may be revised or rescinded at a future date based upon either changes to the proposed project, the presentation of information which significantly alters earlier conclusions, or failure of the applicant to perform the environmental and socio-economic impact mitigation prescribed in the draft Finding of No Significant Impact.

Sincerely,

A handwritten signature in purple ink that reads "Jerry Rouch".

Jerry Rouch, Assistant Chief
Division of Environmental and Financial Assistance
